FIG. 6

A hand-drawn diagram of a rectangular frame. The frame is defined by a solid outer border and a dashed inner border. The width of the frame is labeled 310 at the top, and the height is labeled 312 on the left. The central area is labeled $(m \times n)$. The width of the central area is labeled m at the bottom, and the height is labeled n on the left. The frame is divided into four quadrants by a vertical dashed line and a horizontal dashed line. The top-right quadrant is labeled 314 . Below the frame, there are five circles and one oval arranged horizontally.
